

SENIORS BY-LAWS

BY-LAWS FOR SENIOR DOMESTIC COMPETITION

1. DATE OF BIRTH / AGE GROUP LIMITS

This applies only to the Over 35 age groups in open age competition. The rule is that any player wishing to compete in the Over 35 age group must be 35 years of age as at the first round of competition. If a player turns 35 during the season they cannot commence until the following season.

2. PLAYER REGISTRATION SHEETS / NEW PLAYER REGISTRATIONS

- Player registration sheets must be filled out in full, with each player's full name, address, phone and D.O.B. clearly recorded. These must be forwarded to the Association's address with the appropriate fee on or before the due date.
- Players may register with two different clubs/teams in different competitions (It is not permitted in the same competition).
- Alternatively players can register online via our website at www.warriorsbasketball.org.

3. CLEARANCES / TRANSFERS

Clearance: A clearance is not automatic and must be approved and signed by the association's competition manager for a player to move from one team to another in any competition. Clearances are to be submitted on the approved form to the association. The competition manager can approve disapprove clearances and may refer it to the Association's executive committee for consideration at the next meeting. Clearances close immediately after the final round of the previous season has been completed. Clearances may be granted after this date, but only in the following circumstances.

1. A clearance lodged before the final round has been unduly delayed.
2. A player has been informed that there is no longer a place available for him/her in that respective club/team.
3. A player has been involved in a substantial residential and/or school move.
4. A player is in dispute with their coach/club and can prove any discriminatory behavior towards them.

Clearances for these reasons must be approved by the Warriors executive or any sub-committee they commission to judge such clearances. A clearance is not required for a player who has not played for one season within the Warriors Basketball competitions. A player who is not cleared but plays with a new team and/or club will be considered an ineligible player for that team, with that team and club suffering the appropriate penalty.. Players who are approached by opposition clubs/teams or

coaches while playing with another club/team will have their clearances automatically refused.

Clubs, their officials teams, individuals and coaches will face penalties from the Association, if it is discovered by the Association that they have been approaching opposition players without first gaining permission from that players club/team. In the instance where a player is applying for a clearance to go from a substantially weaker team to a substantially stronger team, then the Association will adopt the following philosophy.

" Clearances in dispute will only be granted where the Association is satisfied that the player hasn't been approached by opposing clubs or teams and that the clearance will not adversely affect the evenness of that particular competition."

If in the Association's opinion, the clearance isn't in the best interests of the competition and that the players current club isn't willing to grant the clearance, then that clearance may be denied.

Appeals: Any club/player who has a clearance denied by their original club is able to appeal the decision. The case will then be heard by a committee appointed by the Associations executive.

Transfers: A player requires a "Transfer within club form" for the following player movement:

1. Transfer between club teams in the same grade.
eg: Player transfers from LA Lakers Gold to LA Lakers Purple, whom both play in the same grade.
2. To move down from one grade to a lower grade.
eg: From Men's Division 1 to Men's Division 2.
3. To move up from one grade to a higher grade.
eg: from Men's Division 2 to Men's Division 1.

The "transfer within club form" must be completed and given to the Association competitions manager. Players transferring between teams within a club may be granted a transfer between meetings at the discretion of the competitions manger, subject to a completed transfer form. A player who is not approved but plays with another team other than that he/she is already registered will be considered an ineligible player.

NOTE: "ALL TRANSFERS CLOSE AFTER ROUND EIGHT."

4. UNIFORMS

All team's uniforms must be of identical design and colour, and must carry a legal number on the front and back of each singlet. Allowable numbers are in the range of 4-15, 20-25, 30-35, 40-45, 50-55. All numbers must be permanently fixed to the singlet. TAPED NUMBERS ARE NOT ACCEPTED. T-shirts may be worn under the singlet providing they are of identical colour to the singlet and carry no logo's or designs. Shorts must be identical in colour length and design, no pockets, zips or

buckles are permitted. Players are not allowed to wear the uniform (either shorts or top) of the Associations championship club. Any player doing so will incur a uniform penalty. Bike shorts are permitted beneath shorts as long as they are of the same colour as the shorts, logos and designs are not permitted. Any discrepancies must be discussed with the referees before the game or before the player concerned takes the court. The referee's decision shall be final. Incorrect uniform points must be decided before the beginning of the second half, unless a player with incorrect uniform takes the court in the second half at which time incorrect uniform points will be awarded.

Where there is a colour clash teams listed first on the fixture have uniform priority. Second named teams need to organise alternates.

1. Incorrect Uniform: 5 points per player per incorrect uniform.
2. Walkover: If after ten minutes has elapsed from the start of the game and a team cannot play, a walkover shall be awarded to the other team. The team players awarded the walkover must sign the back of the scoresheet to register eligibility for finals. Any team giving a walkover shall incur a fine equivalent to the combined sum both teams scoresheets fees and have to pay a \$200.00 bond. This fine must be paid before they play their next match. Until this fine is paid no premiership points shall be awarded and the opposition wins 20-0. These points are not redeemable if the fine is paid after the due date. Any team giving two walkovers shall be disqualified from the competition.
3. No Scorer Provided 15 point penalty, if other team provide a scorer. If other team refuses then team without scorer must substitute one of their players and play with only four players. As teams require four players to take the court to commence a match, if that team only has four players then a forfeit will be awarded if a scorer isn't found within ten minutes of scheduled commencement of the match.
4. Ineligible players An ineligible player is a player which isn't registered with the team he/she has taken the court with. An ineligible player is also one who takes the court with a team, without obtaining a clearance from his/her previous team or club. Any players who play in the wrong age group are also ineligible players. Any teams who play ineligible players forfeit any matches those players participate in. A 20-0 loss is recorded for these forfeits
If this happens during the grading phase a \$50.00 fine will be the penalty rather than a forfeit.

Note: Clubs and teams who play players without a clearance or play overage players (Without Association approval) will also be subjected to any penalties handed down by an Association tribunal.

9. MATCHUP RULE

In the first half of all matches in the Association, the Matchup Rule will apply to all to the defence of all teams.

The Matchup Rule means that man to man defence is to be played in its true capacity. (When guarding the ball the defensive stance should be about one arms distance from the ball carrier. When one pass away from the ball the defender should be in a help stance) ALL defenders are allowed to be in the line or below the line of the ball.

Of course there needs to be a degree of leniency displayed when officiating this rule. As long as the defence aren't hovering around the keyway or standing in the key showing no signs of concern for their player - the game should be let to flow.

Note 1:Center players should be encouraged during the course of play to be following this rule by the referee.

If the referee believes a team is not following the Matchup Rule, the coach of that team will receive a warning. If it is apparent that there has been no adjustment made after this warning, a technical foul will be awarded to that teams bench.

In the second half for competition U/15 and above, teams are allowed to play whatever defense they wish to.

Note 2: Technical fouls for this rule are administrative fouls and should not be considered as ejectable.

Note 3: Match up defense does NOT have to be played full court the defence starts from where the offense is picked up from by the defence either full court, half court or back at the three point area. Trapping defences are allowed.

Note 4: When applying a full court or half court defence, Zone presses and half court trapping defences are allowed as long as teams drop back into a true man to man defence.

10. PLAYING FEES .

The playing fees for Senior Warriors domestic teams are \$50.00 per team per match for all other competitions. A once off \$110.00 fee is applicable for the season registration fee. This is to be paid before the commencement of the season. There is a \$3.00 door entry fee for spectators and players.

Team sheet fees for Superball matches are \$55.00 per team per match, due to longer game time, extra referee and shot clock operation.

11. DISPUTED RESULTS

If a team wishes to dispute a result it must record the incident on the back of that match's scoresheet, with all the relevant details. That team must then advise the Association's secretary or the competition co-ordinator of that dispute no later than 48 hours after the event. If the Association is contacted later than this then the result of the match stands and the dispute is not acted upon. If a team or a coach is found to be violating the nature of this rule by continually reporting trivial things then he or she could face a charge of bringing the game into disrepute and be summoned before a tribunal as well.

NOTE: In a dispute about a scoresheet, any team who has been found not to be providing a scorer shall have that dispute dismissed. If the two scorers disagree and it affects the result of the game then the dispute will be heard. Referees will always be instructed to take the scoresheet as being correct if there is any inconsistencies between the score sheet and the scoreboard. Please remember that it is the responsibility of both teams to provide competent scorers.

12. FINALS AND FINALS ELIGIBILITY

- Finals: The format for each finals series will be decided by the Associations Basketball Manager at the commencement of the season proper (i.e. after the grading phase).
- Finals Eligibility In order to be eligible to play in the finals a player must have played a minimum of six games for their registered team in a stipulated season, which includes grading games (Byes do not count). All players must sign and complete a player registration form in full before their first game or at their first game. If in any subsequent game they do not score or foul they must also sign the back of the scoresheet for the game to count towards finals eligibility.
- Where players names are not recorded on a scoresheet in full and legibly, then that game will not count towards finals eligibility.

NOTE: If a player plays his/her first game and does not sign and complete a registration sheet in full, then that game will not count towards finals eligibility. Games will only count once a registration form for that team and competition has been completed.

13. INJURIES

During the course of a game should a player bleed from an injury or bleed in any way either nose or cut he/she must leave the court and will not be able to continue playing until all bleeding is stopped and all blood is removed from that person.

14. FINGER NAILS, ARMBANDS AND JEWELLERY

Finger nails must be trimmed back in order to avoid injury to other players. Tape of suitable nature may be used or gloves may be worn instead of cutting nails, players will not be allowed to take the court until one of these measures are taken. All jewellery must be removed or in the case of wedding rings that cannot be removed taped over.

Wristbands, armbands and arm sleeves are not allowed.
